## What to Expect from us:

### STRONG BRAND LEADERSHIP

Heli America Inc. is the subsidiary company of Anhui Forklift Group Corporation Ltd (here in after referred to as Heli) —the largest manufacturer of material handling equipment in China. The headquarters is located in Hefei city, Anhui province, covering an area of about 2000000m<sup>2</sup>. In 2016 HELI became the number 7 in the world (According to the "Top 20 Industrial Lift Truck Suppliers" released by MMH).

### GREAT PRODUCTS

Online 1700 models trucks of 3 different power sources, 512 kinds of products with independent intellectual property rights, 22 tonnage classes. Our products can satisfy almost all market demands and needs, the company now is the major export enterprise for Material Handling Machinery, Warehousing Machinery, Construction Machinery and associated equipment and components.

### SOLID PRODUCT & SERVICE TRAINING

HELI provides training on our products and service procedures, offered at our headquarters, on-line, at center or at convenient, on-site locations.

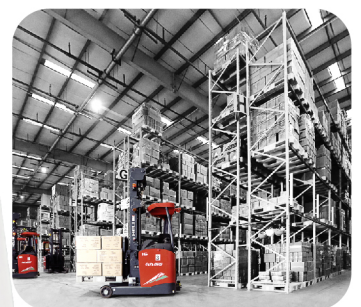

### STRONG COMPANY SUPPORT

We have a committed team of sales and service field personnel to work with you every step of the way.

## What We Expect from You:

- Showroom facility & lot, square footage determined by market size potential
- Shop facilities that meet service capacity requirements
- Established management team
- Proven business management systems
- Experienced sales & service personnel
- Experience in forklifts, construction machinery, material handling business segments
- Formal 3-year business plan, including marketing & advertising plan

# Are You Ready to Join Our Team?

## Heli Company over view

As the leading enterprise in China industrial truck industry, Heli has the ability and strength to participate in the global competition in higher level, larger scale and wider field: we established European center in France, Southeast Asia Center in Thailand and North America center in the United States. In the next five years, Heli will vigorously promote the international operation and create a global famous brand.
